DECLARATION
OF COVENANTS, CONDITIONS
AND RESTRICTIONS
FOR
NORTH RANGE METROPOLITAN
DISTRICT NO. 2 AREA
WITHIN REUNION

This Declaration (this "Declaration") is made as of the 15th day of December
2014, by SHEA HOMES LIMITED PARTNERSHIP, a California limited partnership ("Declarant").

ARTICLE I
GENERAL

Section 1.1 Reunion. Declarant is the owner, or has an option to purchase from the current owners thereof, certain parcels of land in the City of Commerce City, Adams County, Colorado, which comprise a portion of the real property defined in this Declaration as "Reunion." The City of Commerce City, Colorado heretofore approved a "PUD Zone Document," as hereinafter defined, for Reunion. Declarant intends to develop those portions of Reunion which hereafter become a part of the "Annexed Area," as hereinafter defined, as a mixed-use community within Reunion containing a mix of single family, both attached and detached, and multiple family dwelling units, and commercial and other land uses, in accordance with the PUD Zone Document.

Section 1.2 Authorization of Enforcing District. Pursuant to C.R.S. § 32-1-1004(8)(a)(II), Declarant, in executing this Declaration and imposing this Declaration upon the Annexed Area, desires and intends to designate and empower the "Enforcing District," as hereinafter defined, with the authority to provide governmental services, including, without limitation, the provision of covenant enforcement and design review services, to the Annexed Area, and to use therefor revenues that are derived from the Annexed Area.

Section 1.3 Designation of Enforcing District. Declarant intends initially to designate the "North Range District," as hereinafter defined, as the Enforcing District under this Declaration. As is more particularly hereinafter provided, however, certain other metropolitan districts and certain other qualified Persons may succeed to the interests of the North Range District as the Enforcing District hereunder.

Section 1.4 Relationship to Declarations Affecting Other Portions of Reunion. Declarant intends to develop other portions of Reunion which are not made a part of the Annexed Area hereunder for residential, retail, office, commercial and other non-residential purposes in accordance with the PUD Zone Document. Certain of such other portions of Reunion not a part of the Annexed Area hereunder theretofore have been, and hereafter may be, at Declarant's option in its sole discretion, made subject to the "Homeowners Declaration" or the "Reunion South Declaration," as those terms are hereinafter provided, or other declarations of covenants, conditions and restrictions that Declarant may cause to be executed and recorded, but only such portions of Reunion that are made a part of the Annexed Area hereunder from time to time in accordance with the provisions hereof shall be subject to this Declaration. Notwithstanding the foregoing, however, portions of the Annexed Area may, at Declarant's option in its sole discretion, also be made subject to a "Neighborhood Declaration," as hereinafter

provided, and any such portions of the Annexed Area shall in such case be subject to both this Declaration and the applicable Neighborhood Declaration.

Section 1.5 Purposes of Declaration. This Declaration is executed (a) in furtherance of a common and general plan for those portions of Reunion which may become part of the Annexed Area; (b) to protect and enhance the quality, value, desirability and attractiveness of all property which becomes part of the Annexed Area; (c) to provide for an Enforcing District as a vehicle to perform certain design review services, covenant enforcement and other functions for the benefit of Owners of Privately Owned Sites within the Annexed Area; (d) to define the duties, powers and rights of the Enforcing District; and (e) to define certain duties, powers and rights of Owners and of Declarant.

Section 1.6 Declaration. Declarant, for itself, its successors and assigns, hereby declares that all property which hereafter may be made subject to this Declaration in the manner hereinafter provided, and each part thereof, shall, from and after the date the same becomes subject to this Declaration, be owned, held, transferred, conveyed, sold, leased, rented, hypothecated, encumbered, used, occupied, maintained, altered and improved subject to the covenants, conditions, restrictions, easements, limitations, reservations, exceptions, equitable servitudes and other provisions set forth in this Declaration, for the duration thereof, all of which are declared to be a part of, pursuant to, and in furtherance of a common and general plan of development, improvement, enhancement and protection of the Annexed Area. The provisions of this Declaration are intended to and shall run with the land and, until their expiration or termination in accordance with Section 10.1 hereof, shall bind, be a charge upon and inure to the benefit of (a) all of the property which becomes part of the Annexed Area and each part or parcel thereof, (b) Declarant and its successors and assigns, (c) the Enforcing District and its successors and assigns, and (d) all Persons having or acquiring any right, title or interest in any property which becomes part of the Annexed Area or any part or parcel thereof or any improvement thereon, and their heirs, personal representatives, successors and assigns.

Section 1.7 Non-Applicability of CCIOA. The Annexed Area does not constitute a "common interest community," as defined in C.R.S. § 38-33.3-103(8), a provision of the Colorado Common Interest Ownership Act found in C.R.S. § 38-33.3-101, *et seq.* (such Act, as the same heretofore has been, and hereafter may be, amended and/or replaced from time to time, shall hereinafter be referred to as "CCIOA") because, among other things, the Owners of Privately Owned Sites within the Annexed Area are not obligated by this Declaration to pay for real estate taxes, insurance premiums, maintenance, or improvement of other real estate within the Annexed Area. Consequently, this Declaration and the Annexed Area shall not be governed by or subject to CCIOA or any of the provisions thereof. Notwithstanding the foregoing, Declarant expressly reserves the right to make portions of the Annexed Area subject to one or more Neighborhood Declarations that may be subject to and governed by CCIOA, but the fact that any such Neighborhood Declaration may be subject to and governed by CCIOA shall not render CCIOA applicable to this Declaration and the Annexed Area generally.

ARTICLE III ANNEXATION TO ANNEXED AREA

Section 3.1 Property Which May Be Annexed. At any time after the date this Declaration is Recorded until the expiration of the Period of Development, Declarant may, but shall in no way be required to, from time to time, unilaterally (and, except as otherwise expressly provided in Section 3.2, without the consent of the Enforcing District, any Owner, any Mortgagee or any other Person), add all or any portion of the Annexable Area which, at the time of such annexation, has been included within the district boundaries of the Enforcing District, to the Annexed Area and make the same subject to this Declaration in accordance with, and subject to, the provisions of Section 3.2. The Declarant may exercise its rights of annexation or development rights in all or any portion of the Annexable Area over which such rights have not already been exercised, and no assurances are made by Declarant as to the boundaries, timing or order of exercise of any such rights. Further, exercise by Declarant of its rights of annexation or development rights with respect to any portion(s) of the

Annexable Area does not require that such rights of annexation or development rights must be exercised in all or any other portion(s) of the remainder of the Annexable Area. Finally, in addition to the foregoing, the Declarant may amend this Declaration at any time and from time to time during the Period of Development, in order to add additional real estate to the Annexed Area which is not a part of the Annexable Area from such locations as the Declarant may elect, in its sole discretion, so long as the additional real estate to be so added has been included within the district boundaries of the Enforcing District and the total additional real estate so annexed to the Annexed Area pursuant to this sentence, and which is not part of the Annexable Area, does not exceed twenty percent (20%) of the total area that is the Annexable Area as set forth on the attached Exhibit A.

Section 3.2 Manner of Annexation. Declarant, and other Persons with Declarant's written consent as hereinafter provided, may, but shall not be obligated to, at any time and from time to time, add real property ("**Property to be Annexed**") within the Annexable Area which, at the time of such annexation, has been included within the district boundaries of the Enforcing District, to the lands which are a part of the Annexed Area subject to this Declaration. Effective upon the Recording of a Supplemental Declaration containing the provisions set forth below in this Section 3.2, the Restrictions contained in this Declaration shall apply to the Property to be Annexed that are covered by such Supplemental Declaration; and thereafter the rights, privileges, duties and liabilities of the Persons subject to this Declaration shall be the same with respect to the Property to be Annexed as with respect to other lands covered by this Declaration.

~~Improvements installed within Property to be Annexed shall be consistent in quality with the~~ overall development plan for Reunion and shall be of such quality and character as will serve the purposes and objectives for which this Declaration has been established, as determined by Declarant in its sole discretion. Any lien arising from ownership or construction upon Property to be Annexed shall appertain only to such land and Improvements located thereon and shall not affect the rights of existing Owners or the priority of Mortgages on Privately Owned Sites or Local Common Areas within the Annexed Area theretofore subject to this Declaration.

Each Supplemental Declaration shall contain the following provisions, and any other provisions as Declarant may determine: (a) shall be executed and acknowledged by the owner of the Property to be Annexed described therein; (b) shall, if the Property to be Annexed is not then owned by Declarant, contain the executed and acknowledged written consent of Declarant; (c) shall contain an adequate legal description of the Property to be Annexed; (d) shall contain a reference to this Declaration which shall state its date, its date of Recordation and the reception number of the Records of the Clerk and Recorder of Adams County, Colorado, where this Declaration is Recorded; (e) shall state the land classification (Residential Site, Commercial Site, Religious Site, Miscellaneous Use Site or Local Common Area) of the Property to be Annexed, and if a Residential Site is included within such Property to be Annexed, whether the same constitutes a Single Family Residential Site, a Condominium Project Site, a Residential Condominium Unit or an Apartment Site; (f) shall, to the extent known or anticipated at such time, provide that Sites therein shall be subject to the jurisdiction of a Neighborhood Association or shall not be subject to the jurisdiction of a Neighborhood Association, and designate any Local Common Area within the Property to be Annexed described therein; provided, however, that if after a Supplemental Declaration for a Privately Owned Site is Recorded, the Owner of such Privately Owned Site desires to create a Neighborhood Association for such Privately Owned Site, no statement in such Supplemental Declaration that such Privately Owned Site shall not be subject to the jurisdiction of a Neighborhood Association shall preclude such Owner, in accordance with the Restrictions contained in this Declaration, from creating a Neighborhood Association for such Privately Owned Site, and any Local Common Area within the property covered by a Supplemental Declaration, but not designated as Local Common Area in such

Supplemental Declaration, may later be designated as Local Common Area in a Neighborhood Declaration affecting such property; (g) shall state that such Property to be Annexed has been included within the district boundaries of the Enforcing District; and (h) shall contain a statement that the Property to be Annexed is declared to be part of the Annexed Area under this Declaration and that the Property to be Annexed shall be subject to this Declaration; provided, however, that more than one Recorded instrument may together constitute a Supplemental Declaration and such instruments may provide that the Restrictions contained in this Declaration shall apply to such Property to be Annexed, or a portion thereof, only upon the Recordation of the last of such instruments to be Recorded. Thus, by way of example but not of limitation, the first of such instruments to be Recorded may provide that a particular Privately Owned Site will become subject to the Restrictions contained in this Declaration upon the Recordation of a deed from Declarant or another specified Person to another Person conveying title to such Privately Owned Site, and in such case, the Restrictions contained in this Declaration would not apply to such Privately Owned Site until the Recordation of such deed. A Supplemental Declaration may provide for phased annexation so that real property may be made subject to the Supplemental Declaration and this Declaration at different times. A deed by which Declarant conveys a parcel of property to another Person may constitute a Supplemental Declaration if it meets the foregoing requirements. A Supplemental Declaration may impose on the Property to be Annexed described therein additional covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and other provisions than those set forth in this Declaration, taking into account the unique and particular aspects of the proposed development of the Property to be Annexed covered thereby. A Supplemental Declaration may provide for a Neighborhood Association of Owners within the property described in the Supplemental Declaration and for the right of the Neighborhood Association to assess such Owners.

Upon Recordation of a Supplemental Declaration for Property to be Annexed within the Annexable Area as aforesaid, such Property to be Annexed shall thereupon, automatically and without any further action by any other party, be a part of the Annexed Area and thereafter be subject to the Restrictions and other provisions set forth in this Declaration, for the duration thereof. Conversely, unless and until a Supplemental Declaration for Property to be Annexed within the Annexable Area is Recorded, such Property to be Annexed shall not be subject to this Declaration, none of the Restrictions in this Declaration shall be construed to affect, encumber, apply to or constitute a cloud upon title to such Property to be Annexed, and the Owner of such Property to be Annexed shall not, by virtue of such ownership, be entitled to any of the rights and benefits to which Owners of Privately Owned Sites are entitled pursuant to this Declaration.

Section 3.3 No Annexation Required; Contraction of Annexable Area; Withdrawal of Annexed Area. Notwithstanding any other provision of this Declaration to the contrary, nothing in this Declaration shall be construed to obligate the Annexable Area, or any portion thereof, to be made subject to this Declaration. Declarant expressly reserves the right, in its sole discretion, to determine not to make the Annexable Area, or any portion thereof, subject to this Declaration. The Annexable Area may, in Declarant's sole discretion, from time to time be contracted to delete any portion of the Annexable Area (which has not theretofore been made a part of the Annexed Area), provided that Declarant is the owner of such portion, effective upon the Recordation of a written instrument, executed by Declarant, referring to this Declaration, describing such portion and declaring that such portion shall thereafter be deleted from the Annexable Area under this Declaration. Additionally, portions of the Annexed Area ("**Property to be Withdrawn**") may be withdrawn from the Annexed Area and from this Declaration for any reason, including correction of a surveyor error or other technical or clerical error. Such withdrawal may be accomplished by the execution, acknowledgment and Recordation of a notice of withdrawal of particular Property to be Withdrawn that (a) shall be executed and acknowledged by the Owner or Owners of the Property to be Withdrawn; (b) shall, if the Property to be Withdrawn is not then owned by Declarant,

contain the executed and acknowledged written consent of Declarant for the duration of the Period of Development, and thereafter, the written consent of the Enforcing District; (c) shall contain an adequate legal description of the Property to be Withdrawn; (d) shall contain a reference to this Declaration and to the applicable Supplemental Declaration for the Property to be Withdrawn, which reference shall state the date thereof, the date of Recordation thereof and the book and page, reception or instrument number, as the case may be, of the Adams County Records where this Declaration and such Supplemental Declaration were Recorded; and (e) shall contain a statement and declaration that the Property to be Withdrawn is withdrawn from the Annexed Area and from the effect of this Declaration and the Supplemental Declaration for the Property to be Withdrawn. The withdrawal shall be effective upon filing for Record of the notice of withdrawal. Nothing herein shall be interpreted to prohibit later annexation of any Property to be Withdrawn that has been so withdrawn.

ARTICLE IV ENFORCING DISTRICT

Section 4.1 General Powers of Enforcing District. Each portion of the Annexed Area, at the time that it is annexed to this Declaration and made a part of the Annexed Area, shall be located within the district boundaries of the Enforcing District. The Enforcing District shall have, and may exercise, with regard to the Annexed Area, all powers and authority reasonably necessary to exercise its rights and powers and to perform its duties and obligations under this Declaration, including, without limitation: (a) the power to adopt and amend budgets for revenues, expenditures and reserves; (b) the power, as provided by applicable Law (including, without limitation, pursuant to the provisions of C.R.S. § 32-1-1001(1)(j)(I)), to fix and collect taxes, fees and other charges for expenses from the Owners of Privately Owned Site within the Annexed Area to administer the Enforcing District's rights, powers and duties provided in this Declaration; (c) the power to manage and enforce the Restrictions provided herein; (d) the power to contract with a Manager for the management of the Annexed Area and/or the administration of all other rights, powers, duties and obligations related to the operation of the Annexed Area as contemplated herein; (e) the power to adopt and to enforce Rules and Regulations as elsewhere contemplated in this Declaration; (f) the power to levy reasonable fees, Fines and penalties for Violations of any of the Restrictions contained in this Declaration, any Supplemental Declaration and/or in the Rules and Regulations, and to collect such fees, Fines and penalties, as provided in Section 4.5 and as may be provided by applicable Law (including, without limitation, pursuant to the provisions of C.R.S. § 32-1-1001(1)(j)(I)); (g) the power from time to time to assign its rights and powers, and to delegate its duties and obligations, to another Person in accordance with Section 4.2; (h) the right, power and authority at any time, and from time to time, to enter into agreements and otherwise to cooperate with any Neighborhood Association, the Homeowners Association, any other community associations, any other governmental or quasi-governmental entity, or any other special district, in furtherance of the purposes of this Declaration, including, without limitation, performing the services called for under this Declaration; and (i) all other rights, powers and authority it may have pursuant to Law as may be necessary to enforce the Restrictions contained in this Declaration.

Section 4.2 Designation of Enforcing District; Power to Assign and Delegate. Declarant hereby designates the North Range District as the Enforcing District under this Declaration. Notwithstanding the foregoing, pursuant to the Master IGA, the North Range District has assigned and delegated to the Reunion District, for so long as the Master IGA shall remain in effect or as the North Range District and the Reunion District may otherwise agree, the right and obligation to exercise all of the rights and powers, and to perform all of the duties and obligations, of the North Range District as the Enforcing District under this Declaration; provided, however, that notwithstanding such delegation, the North Range District shall nevertheless constitute the Enforcing District under this Declaration.

Additionally, the entity which at that time constitutes the Enforcing District hereunder shall have the right to assign and transfer its rights and interests as the Enforcing District hereunder to any other metropolitan district within whose district boundaries the Annexed Area may be located, or any other governmental entity that, pursuant to the provisions of Law, shall be authorized to exercise the rights and powers, and to perform the duties and obligations, of the Enforcing District under this Declaration, pursuant to a Recorded written instrument executed by such entities. No such assignment or delegation shall affect any revocation, change or addition to the Restrictions.

Section 4.3 Duties with Respect to ARC and CEC. The Enforcing District shall perform functions to assist the Covenant Enforcement Committee as provided in Article VII of this Declaration, and the Architectural Review Committee as provided in Article VIII of this Declaration.

Section 4.4 Power to Adopt Rules and Regulations. The Enforcing District may adopt, amend, repeal and enforce such Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Declaration (including, without limitation, those Restrictions contained in Article VI of this Declaration), the provisions regarding Notice and Hearing rights as contemplated in this Declaration, and the use of any property within the Annexed Area, including Privately Owned Sites. Any such Rules and Regulations shall be reasonable and uniformly applied. Rules and Regulations shall be effective only upon adoption by resolution of the Board of Directors. Written notice of the adoption, amendment or repeal of any Rules or Regulations shall be posted at the Enforcing District's office, and copies of the currently effective Rules and Regulations shall be made available to each Owner upon request and payment of the copying cost. ~~Each Owner shall~~ comply with such Rules and Regulations and shall see that Related Users of such Owner comply with the Rules and Regulations. Rules and Regulations shall have the same force and effect as if they were set forth in and were part of this Declaration. In the event of conflict between the Rules and Regulations and the provisions of this Declaration, the provisions of this Declaration shall prevail.

Section 4.5 Power to Enforce Declaration and Rules and Regulations. The Enforcing District shall have the power to enforce the provisions of this Declaration and of the Rules and Regulations, and shall take such action as the Board deems necessary or desirable to cause compliance by each Owner and the Related Users of each Owner. Without limiting the generality of the foregoing, the Enforcing District shall have the power to enforce the provisions of this Declaration and of the Rules and Regulations, including, without limitation, any decision reached by the Covenant Enforcement Committee or the Architectural Review Committee, by any one or more of the following means: (a) by entry upon any property (other than the interior of any Dwelling Unit) within the Annexed Area after Notice and Hearing (unless an "Emergency Situation," as defined in Section 10.13, exists), without liability of the Enforcing District to the Owner or occupants thereof, for the purpose of enforcement of or causing compliance with this Declaration or the Rules and Regulations; (b) by commencing and maintaining actions and suits to restrain and enjoin any breach or threatened breach of the provisions of this Declaration or the Rules and Regulations, by mandatory injunction or otherwise; (c) by commencing and maintaining actions and suits to recover damages, or other amounts to which the Enforcing District is entitled, for a Violation of any of the provisions of this Declaration or the Rules and Regulations; and (d) by levying and collecting, after Notice and Hearing, reasonable and uniformly applied Fines, established in advance herein or in the Rules and Regulations or otherwise in accordance with the provisions of applicable Law, from any Owner or Related User, for a Violation by such Owner or Related User of this Declaration, any Supplemental Declaration or such Rules and Regulations.

Section 4.6 Duty to Maintain Register of Addresses and Notify of Address Change. The Enforcing District shall maintain a "Register of Addresses" which contains the address (which shall

include the facsimile number, if any, and, if the recipient desires to receive notices from the Enforcing District by e-mail, the e-mail address) of each Owner, the Enforcing District and Declarant. The initial address for each Owner in the Register of Addresses shall be the address for such Owner set forth in the deed or other instrument of Record conveying the Privately Owned Site to such Owner, or, if no such address is set forth, the Privately Owned Site of such Owner. The initial address for the Declarant in the Register of Addresses shall be 1805 Shea Center Drive, Suite 450, Highlands Ranch, Colorado 80129. The initial address for the Enforcing District shall be North Range Metropolitan District No. 2, 17910 East Parkside Drive North, Commerce City, Colorado 80022. Any Person may change its address in the Register of Addresses by giving notice to the Enforcing District of a new address in accordance with Section 10.10, and the Enforcing District shall update the Register of Addresses in accordance with any such notice. The Enforcing District shall provide the address for each Person as listed in the Register of Addresses to any Person who requests such information and certifies to the Enforcing District in writing that they intend to use such information to give notice to Owners under this Declaration. The Enforcing District shall have no liability to any Person (including any Owner or Declarant) for providing the address as listed in the Register of Addresses, regardless of whether such address is correct or whether any director, officer, employee or agent of the Enforcing District has knowledge, actual or imputed, that the address in the Register of Addresses is not correct. No information with respect to Declarant's or any Owner's address shall be imputed to the Enforcing District or any director, officer, employee or agent of the Enforcing District, and the Enforcing District shall be entitled to rely solely on the initial address determined in accordance with this Section 4.6 or the most recent address, if any, furnished to the Enforcing District by Declarant or any Owner by notice given in accordance with Section 10.10. Upon any change in the address of the Enforcing District, the Enforcing District shall execute and file for Recording an instrument which refers to this Declaration and sets forth a new address expressly for purposes of giving notice to the Enforcing District under this Declaration.

Section 4.7 Estoppel Certificates. The Enforcing District shall, upon the request of any interested party and after confirming any necessary facts with the Covenant Enforcement Committee and the Architectural Review Committee, furnish a certificate with respect to (a) the approval or disapproval of any Improvement to Property or regarding whether any Improvement to Property was made in compliance with this Declaration, (b) whether any Violation of the CEC Restrictions then exists for a particular Privately Owned Site, and (c) whether any amounts are then payable by the Owner of a particular Privately Owned Site to the Enforcing District, the Covenant Enforcement Committee or the Architectural Review Committee pursuant to this Declaration. Any Person without actual notice to the contrary shall be entitled to rely on said certificate with respect to all matters set forth therein.

ARTICLE V DECLARANT'S RIGHTS AND RESERVATIONS

Section 5.1 Period of Declarant's Rights and Reservations. Declarant shall have, and hereby retains and reserves, the Special Declarant Rights as hereinafter set forth from the date hereof until the expiration of the Period of Development. Notwithstanding any other provisions of this Declaration, the rights and reservations set forth in this Article V, in Article III and in Sections 1.7, 2.41, 6.10, 6.11, 6.17, 6.20, 6.29, 7.14, 8.1, 8.29, 9.2, 9.3, 9.4, 10.1, 10.2, 10.3, 10.4, 10.5, 10.9, 10.11, 10.13, 10.17 and 10.18, and Declarant's right to exercise any and all of such rights and reservations (collectively, the "Special Declarant Rights"): (a) shall be deemed excepted and reserved in each conveyance of property within the Annexed Area, whether or not specifically stated therein, and in each deed or other instrument by which any property within the Annexed Area is so conveyed; (b) shall be prior and superior to any other provisions of this Declaration, and in the event of any inconsistency between the provisions of this Declaration pertaining to the Special Declarant Rights and any other

provisions of this Declaration, the provisions pertaining to the Special Declarant Rights shall control; and (c) may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment of this Declaration during the Period of Development. Declarant's consent to any one such amendment shall not be construed as a consent to any other amendment. Declarant shall have the right from time to time to assign or transfer the Special Declarant Rights to any Person by a written and Recorded instrument, in whole or in part, or as to the entirety of the Annexed Area or only a designated portion thereof, as may be more particularly provided in such instrument.

Section 5.2 Declarant's Rights to Complete Development of Reunion. No provision of this Declaration shall be construed to prevent or limit Declarant's rights, and Declarant expressly reserves the right, to complete the development of property within the boundaries of Reunion, including, without limitation, the Annexed Area; to construct or alter Improvements on any property owned by Declarant within Reunion, including, without limitation, the Annexed Area; to maintain model homes, offices for construction, sales or leasing purposes or similar facilities on any property owned by Declarant within Reunion, including, without limitation, the Annexed Area; and to post signs incidental to development, construction, promotion, marketing, sales or leasing of property within the boundaries of Reunion, including, without limitation, the Annexed Area. No such model home, or construction, sales or leasing office located on a Privately Owned Site owned by Declarant or others authorized by Declarant shall constitute Local Common Area or common property of, or otherwise be owned by, the Enforcing District or any other Owner; rather, such property (with Improvements thereon) shall constitute a Privately Owned Site. Declarant may maintain, or permit other Persons to maintain, management offices, signs, model homes, construction offices, trailers and sales offices, ~~in such numbers, of such sizes and at such locations within Reunion, including, without limitation, within the Annexed Area, as Declarant may determine in its reasonable discretion from time to time.~~ Nothing contained in this Declaration shall limit the right of Declarant or require Declarant to obtain approvals to excavate, cut, fill or grade any property owned by Declarant or to construct, alter, demolish or replace any Improvements on any property owned by Declarant, or to use any structure on any property owned by Declarant as a construction, model home or real estate sales or leasing office in connection with the sale of any property within the boundaries of Reunion, including, without limitation, within the Annexed Area, nor shall anything herein be deemed to require Declarant to seek or obtain the approval of the Architectural Review Committee or of the Enforcing District for any such activity or Improvement to Property by Declarant on any property owned by Declarant. Declarant reserves the right, prior to the time that a particular lot or tract within the Annexable Area has been annexed to and made subject to this Declaration and so long as Declarant is the Owner of such lot or tract, to resubdivide or change the boundaries of such lot or tract in accordance with the provisions of applicable Law without the same constituting an amendment of this Declaration and without the consent, approval or vote of any other party, including, without limitation, the Owners or the Enforcing District. Nothing in this Section shall limit or impair the reserved rights of Declarant as may be elsewhere provided in this Declaration.

Section 5.3 Declarant's Rights to Grant and Create Easements. In applying for the approval of the Declarant, or the Enforcing District, as the case may be, of any such further subdivision of a Privately Owned Site, such Owner shall submit to the Declarant, or the Enforcing District, as the case may be, all maps, plats and other documentation required to be submitted by such Owner to the applicable governmental authorities. The Declarant, or the Enforcing District, as the case may be, may approve any such proposed further subdivision unless the Declarant, or the Enforcing District, as the case may be, determines, in its sole discretion, that such subdivision is inconsistent or incompatible with the PUD Zone Document or this Declaration or the applicable Supplemental Declaration (including, without limitation, the provisions of this Declaration or such Supplemental Declaration with respect to annexation procedures, use restrictions and architectural control) or determines, in its sole discretion, that such subdivision might be detrimental to the interests of the Enforcing District or another Owner. Either of the Declarant or the Enforcing District shall have the right, at its option, to assign and delegate its rights and duties under this Section, with respect to all or a specified portion of the Annexed Area, to the Architectural Review Committee, or, with respect to a certain portion of the Annexed Area covered by a Supplemental Declaration, any similar architectural committee that may be established pursuant to such Supplemental Declaration or a Neighborhood Declaration. In the event of a dispute between Owners in the Annexed Area as to the obstruction of the operation of a solar energy installation, such dispute shall be resolved in accordance with the provisions for Notice and Hearing contained in the Rules and Regulations. Any such obstruction shall, upon request of the Board of Directors, be removed or otherwise altered to the satisfaction of the Board of Directors, by the Owner of the Residential Site upon which said obstruction is located. Each Owner of a Residential Site shall be

responsible for periodic trimming and pruning of all hedges, shrubs and trees located on the Site so as to not unreasonably obstruct the operation of any previously existing solar energy installation.

Section 6.20 Landscaping. Within ninety (90) days after the date of Recordation of the Supplemental Declaration for a Residential Site in the Annexed Area, subject, however, to reasonable delays resulting from weather conditions, or within such longer period as may be approved in writing by the Architectural Review Committee or authorized in guidelines promulgated by either the Architectural Review Committee or the Enforcing District, the Owner of such Residential Site shall install and thereafter maintain landscaping on the Residential Site and the Tree Lawn Area adjacent to such Residential Site in a neat and attractive condition, including, without limitation, all necessary landscaping and gardening to properly maintain and periodically replace when necessary any trees, plants, grass and other vegetation which may be originally placed on such Residential Site or such Tree Lawn Area by the Declarant. The Architectural Review Committee and/or the Enforcing District may adopt guidelines or rules to regulate landscaping permitted and required on the Privately Owned Sites and Tree Lawn Areas in the Annexed Area as provided in this Declaration; provided, however, that Declarant shall be exempt from compliance with such rules and regulations. In the event that any Owner shall fail to install and maintain landscaping in conformance with such guidelines or rules, or shall allow landscaping to deteriorate to a dangerous, unsafe, unsightly or unattractive condition, the Enforcing District upon thirty (30) days prior written notice to such Owner shall have the right either (a) to seek any remedies at law or in equity which it may have or to correct such condition, or (b) after Notice and Hearing, to enter upon such Owner's Privately Owned Site and the adjacent Tree Lawn Area for the purpose of correcting such condition and such Owner shall promptly reimburse the Enforcing District for the cost thereof, or (c) both of the foregoing.

Any such vehicle may be kept only within a garage, an enclosed structure approved by the Architectural Review Committee or within a parking area designated by the Enforcing District for storage and parking of such vehicles. No inoperable vehicle shall be repaired, constructed or allowed to remain on any portion of the Annexed Area or on any private or public street or road in such a manner as to be visible from any portion of the Annexed Area. No vehicle, including, but not limited to, motorcycles, motorbikes, snowmobiles, bicycles, automobiles, trucks and trailers may be kept or used anywhere within the Annexed Area in violation of any applicable Rules and Regulations. Such Rules and Regulations, among other things, may prohibit the keeping or use of motorcycles, motorbikes, snowmobiles or other loud or offensive vehicles, or may limit their use, and may regulate places of parking of such vehicles.

Section 6.22 Animals. No animals of any kind shall be raised, bred or kept on any Residential Site in the Annexed Area except as hereinafter provided. A reasonable number of dogs, cats or other household pets may be kept on a Residential Site, provided that (a) they are not kept, bred or maintained for any commercial purposes, (b) they do not make objectionable noises or otherwise constitute an unreasonable nuisance to other Owners, (c) they are kept within an enclosed yard on the Residential Site occupied by the Owner of such pets or on a leash being held by a Person capable of controlling the animal, and (d) they are not in violation of any other provision of this Declaration or the Rules and Regulations. A "reasonable number" as used in this Section 6.22 shall ordinarily mean no

more than two (2) pets per Site; provided, however, that the Board of Directors or such other Person as the Board of Directors may from time to time designate, may from time to time determine that a reasonable number in any instance may be more or less than two (2). The Board of Directors shall have the right to prohibit maintenance of any animal which, in the sole opinion of the Board, is not being maintained in accordance with the foregoing restrictions. Each Owner maintaining any animal, and any Related User, shall be liable in accordance with Colorado Law to each and all remaining Owners and Related Users of such Owners for any damage to person or property caused by any such animal; and it shall be the absolute duty and responsibility of each such Owner or Related User to clean up after such animals to the extent they have used any portion of the Privately Owned Site of another Owner or any Local Common Area.

Section 6.23 Restriction on Exterior Lighting. Except as may be approved in writing by the Architectural Review Committee or in guidelines promulgated by the Architectural Review Committee, and except for any exterior lighting originally included in or as a part of any building or other improvements installed or constructed by Declarant upon any portion of the Annexed Area, no exterior lighting shall be permitted anywhere on a Residential Site within the Annexed Area, including lighting to accent landscaping features, lights at entrance doors to structures, lights at entrances to property, lights along paths or driveways and lights to illuminate permitted signs. Any exterior lights so permitted by the Architectural Review Committee or in such guidelines shall be of attractive design and shall be as small in size as is reasonably practical and shall be placed or located as directed or approved in writing by the Architectural Review Committee or in guidelines promulgated by the Architectural Review Committee; provided, however, that the provisions of this sentence shall not apply to any such exterior lighting so installed by Declarant.

Section 6.24 Casualty Insurance for Improvements. Each Owner of a Privately Owned Site within the Annexed Area shall be obligated to obtain and keep in full force and effect at all times casualty insurance with respect to all insurable Improvements on the Privately Owned Site for the full replacement value thereof, including coverage for fire and extended coverage, vandalism and malicious mischief and, if available and if deemed appropriate by the Enforcing District as evidenced by a resolution of the Board of Directors, including flood, earthquake or war risk. In the event of damage or destruction to any insured Improvements, the proceeds of such insurance shall be applied by the Owner thereof, to the extent necessary, to cause the damage or destroyed Improvement to be restored or replaced to its original condition or such other condition as may be approved in writing by the Architectural Review Committee, if and to the extent that the Architectural Review Committee is authorized to approve the same pursuant to Section 8.1, or if it is not, in accordance with the applicable Supplemental Declaration, or to cause the damaged or destroyed Improvement to be demolished and the Privately Owned Site to be suitably landscaped so as to present a pleasing and attractive appearance.

Section 6.25 Solar Energy Installations. The Architectural Review Committee shall approve the plans and specifications for the installation of solar systems on a Residential Site within the Annexed Area, provided that the Architectural Review Committee determines that such plans and specifications demonstrate the exercise of reasonable measures to minimize the potential adverse aesthetic impact of the installation on other portions of the Annexed Area. Any such Architectural Review Committee approval shall have no effect upon the enforceability of any other use Restriction in this Declaration or the applicable Supplemental Declaration. The Architectural Review Committee may promulgate reasonable standards and guidelines against which to examine any such plans and specifications, in accordance with Article VIII. Any such standards or guidelines restricting the installation or use of a solar energy system shall not significantly increase the cost of the system, nor significantly decrease its efficiency.

Section 6.26 Garage Sales. No garage, patio, porch or lawn sale shall be held on any Residential Site within the Annexed Area, except that the Owner of any such Residential Site may conduct such a sale for up to three (3) consecutive days not more than twice in any calendar year if (a) the items sold are only his own furniture and furnishings, not acquired for purposes of resale; (b) such sale is held at such time and in such manner as not to unreasonably disturb any other resident of the area; and (c) such sale is held in full compliance with the requirements of all applicable Law.

Section 6.27 Fencing. It shall be the responsibility of the Owner of a Privately Owned Site who desires to install any fencing on or for his Privately Owned Site, at such Owner's expense: (a) to obtain the approval of such fencing by the Architectural Review Committee in accordance with Article VIII of this Declaration, and to install such fence in accordance with the applicable guidelines, rules and other requirements of the Architectural Review Committee; (b) to obtain all required Governmental Approvals for such fencing in accordance with Section 8.13; (c) to engage the services of a professional surveyor to insure that such fencing is installed upon the Privately Owned Site of such Owner and does not encroach onto any adjoining Privately Owned Site, Local Common Area or other property not owned by such Owner. The Owners of Privately Owned Sites with a fence installed along the common property lines of such Privately Owned Sites are encouraged to enter into agreements that shall provide for the joint maintenance, repair and replacement of such fence by such Owners.

Section 6.28 Window Coverings. No external window covering or reflective covering may be placed, or permitted to remain, on any window of any building, structure or other improvement on a Residential Site within the Annexed Area without the prior written approval of the Architectural Review Committee.

Section 6.29 Exemption for Declarant. At such times as Declarant owns any Privately Owned Sites in the Annexed Area annexed within the Period of Development, Declarant shall be exempt from the provisions of Sections 6.8, 6.9 and 6.10, and shall be exempt from any other Restrictions in this Declaration to the extent that they impede Declarant's development and marketing activities pursuant to Section 5.2.

ARTICLE VII COVENANT ENFORCEMENT COMMITTEE

Section 7.1 Establishment of Committee. The Enforcing District may from time to time establish a Covenant Enforcement Committee, the members of which shall be appointed by the Board of Directors of the Enforcing District. The Enforcing District may also from time to time deactivate the Covenant Enforcement Committee previously established by the Enforcing District. At any time that the Covenant Enforcement Committee has not been established, or shall have been so deactivated or for any other reason shall not then be in existence, all rights, powers, duties and obligations of the Covenant Control Committee under this Declaration shall be exercised or performed by the Enforcing District or, if so elected by the Board of Directors, by a Tribunal appointed by the Board of Directors as may be provided in the Rules and Regulations. Members of the Covenant Enforcement Committee may, but need not necessarily, be Owners of Privately Owned Sites within the Annexed Area, members of the Board of Directors, members of the Architectural Review Committee, or representatives designated by Declarant. Members of the Covenant Enforcement Committee shall be appointed by the Enforcing District at a meeting of the Board of Directors. Members of the Covenant Enforcement Committee may be removed at any time by the Board, and shall serve for such term as may be designated by the Board or until they resign or are removed by the Board. Unless otherwise specified in this

Declaration, the vote or written consent of a majority of the members of the Covenant Enforcement Committee shall constitute the act of the Covenant Enforcement Committee. The Enforcing District may at any time, and from time to time, change the authorized number of members of the Covenant Enforcement Committee, but the number of members shall always be an odd number and shall be not less than three (3).

Section 7.2 Address of CEC. The address of the Covenant Enforcement Committee shall be that of the address of the Enforcing District as set forth in Section 4.6.

Section 7.3 Purposes and General Authority Regarding CEC Restrictions. Except as hereinafter provided with respect to certain functions of the Covenant Enforcement Committee, the Enforcing District shall be responsible for the ministerial administration and enforcement of the CEC Restrictions, and shall have the right to: (a) accept complaints for Violations, or alleged Violations, of the CEC Restrictions; (b) inspect the Annexed Area regarding Violations, or alleged Violations, of the CEC Restrictions; (c) issue various notices to Owners regarding the CEC Restrictions as contemplated in this Declaration; and (d) provide all ministerial administration and enforcement of the CEC Restrictions as provided or required by the Enforcing District and this Declaration, including, without limitation, the right to exercise the rights and remedies available to the Enforcing District as elsewhere provided in this Declaration. The Enforcing District shall review all complaints and notifications provided by the Declarant, an Owner, the Enforcing District, any Manager or other Person (including the Reunion District, if applicable) acting on behalf of the Enforcing District, the Architectural Review Committee, or a Neighborhood Association regarding a Violation, or alleged Violation, of any of the CEC Restrictions. The Enforcing District shall have the right to make an investigation on its own regarding possible Violations of the CEC Restrictions. The Enforcing District shall have the authority to determine whether an Owner has committed a Violation of the CEC Restrictions, and upon such determination, may issue to such Owner a notice (a "CEC Violation Notice") identifying the particular circumstances or conditions of such Violation and requiring such Owner to take such actions as are specified in the CEC Violation Notice as may be necessary to correct, remedy or otherwise remove such Violation, including the time period by which such Violation must be remedied. In addition to any other right or remedy that may be provided for in this Declaration, the Rules and Regulations or at law or in equity for the occurrence of a Violation of the CEC Restrictions by the Owner of a Privately Owned Site, the Enforcing District shall have the right to post a CEC Violation Notice therefor upon such Privately Owned Site. Such Owner shall have the right, in accordance with Section 7.8, to request a hearing before the Covenant Enforcement Committee with respect to any such CEC Violation Notice given to it by the Enforcing District.

Section 7.4 Purposes and General Authority of CEC. The Covenant Enforcement Committee shall have the right to: (a) if requested by an Owner alleged to have committed a Violation of the CEC Restrictions, conduct a hearing regarding such alleged Violation in accordance with the provisions for Notice and Hearing set forth in the Rules and Regulations, as is provided in Section 7.8; (b) hear an appeal of any decision by the Architectural Review Committee to disapprove, or to impose any conditions on, a proposed Improvement to Property in accordance with Section 8.11; and (c) hear an appeal by an Owner or the Architectural Review Committee concerning a Notice of Noncompliance issued by the Architectural Review Committee, in accordance with Section 8.19.

Section 7.5 CEC Fees and Expenses. All expenses of the Covenant Enforcement Committee shall be paid by the Enforcing District with revenues derived by the Enforcing District from the Annexed Area. The Enforcing District shall have the right to charge fees for inspections and Fines for costs of enforcement of the CEC Restrictions and the costs incurred to correct, remedy or otherwise

remedy Violations of the CEC Restrictions from the subject Owner, in amounts which may be established by the Enforcing District from time to time, and such fees and Fines may be collected by the Enforcing District to help defray the expenses of the operation of the Covenant Enforcement Committee. The Enforcing District or the Manager hired by the Enforcing District shall provide the Covenant Enforcement Committee with staff for the recording of committee meeting minutes and assistance with other administrative needs, at the Enforcing District's cost and expense, as it deems reasonably necessary from time to time.

Section 7.6 General Inspection. Any authorized officer, director, employee or agent of the Enforcing District may enter upon any Privately Owned Site at any reasonable time after notice to the Owner of such Privately Owned Site, without being deemed guilty of trespass, in order to investigate or inspect any portion of the Annexed Area for alleged Violations of the CEC Restrictions.

Section 7.7 CEC Committee Guidelines or Rules. The Enforcing District or the Covenant Enforcement Committee may issue guidelines or rules relating to the procedures, interpretation of the CEC Restrictions and additional factors which will be taken into consideration in connection with the enforcement of the CEC Restrictions by the Enforcing District. Such guidelines or rules may specify circumstances under which the strict application of the CEC Restrictions will be waived or deemed waived in whole or in part because strict application of the CEC Restrictions would be unreasonable or unduly harsh under the circumstances or for other reasons determined by the Enforcing District or the Covenant Enforcement Committee.

Section 7.8 Hearing Requested by Owner. If the Enforcing District issues a CEC Violation Notice against the Owner of a Privately Owned Site, such Owner may request that a hearing with respect to such CEC Violation Notice be held before the Covenant Enforcement Committee by giving written notice of such request to the Enforcing District within twenty (20) days after the CEC Violation Notice is given to such Owner. The Covenant Enforcement Committee shall conduct such hearing in accordance with the provisions of the Rules and Regulations for Notice and Hearing, and the Covenant Enforcement Committee shall finally decide whether or not the alleged Violation of the CEC Restrictions exists.

Section 7.9 No Implied Waiver or Estoppel. No action or failure to act by the Covenant Enforcement Committee or by the Enforcing District, a Tribunal or the Board of Directors, shall constitute a waiver or estoppel with respect to future action by the Covenant Enforcement Committee, the Enforcing District, such Tribunal or the Board of Directors, with respect to the enforcement of the CEC Restrictions.

Section 7.10 Authorized Representative of CEC. The powers and duties of the Covenant Enforcement Committee may be delegated to one or more authorized representatives, who shall have the power to review and determine if a Violation of the CEC Restrictions shall exist, to grant variances and exemptions. Notwithstanding the foregoing, the authorized representative shall not have the authority to change the policies and guidelines of the Covenant Enforcement Committee, or to conduct any hearing pursuant to Section 7.8. The Covenant Enforcement Committee may, from time to time, by resolution in writing adopted by a majority of the members, designate an authorized representative or representatives (who may, but need not, be members of the Covenant Enforcement Committee). The action of such authorized representative (except as is otherwise provided in this Section 7.10) or the written consent or the vote of a majority of the members of the Covenant Enforcement Committee shall constitute the action of the Covenant Enforcement Committee.

Section 7.11 Compensation of Members. The Board of Directors shall determine whether or not members of the Covenant Enforcement Committee should receive reimbursement of out-of-pocket expenses or compensation.

Section 7.12 Meetings of Committee. The Covenant Enforcement Committee shall meet from time to time as necessary to perform its duties hereunder.

Section 7.13 Records of Actions. The Covenant Enforcement Committee shall report in writing to the Board of Directors all final action of the Covenant Enforcement Committee, and to the Architectural Review Committee all final action concerning an appeal to the Covenant Enforcement Committee pursuant to either Section 8.11 or Section 8.19, and the Board shall keep a permanent record of such reported action.

Section 7.14 No Liability for Committee Action. There shall be no liability imposed on the Covenant Enforcement Committee, any member of the Covenant Enforcement Committee, any authorized Covenant Enforcement Committee representative, the Enforcing District, any Tribunal or member thereof, any member of the Board of Directors, the Architectural Review Committee, any member or authorized representative of the Architectural Review Committee, or Declarant for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Covenant Enforcement Committee, if such party acted in good faith and without malice. In accordance with C.R.S. Section 24-10-110, a provision of the Colorado Governmental Immunity Act found in C.R.S. Section 24-10-101, *et. seq.*, as amended from time to time (the "Governmental Immunity Act"), the Enforcing District shall pay the costs of defense of and settlements and judgments against a person that is or was a member of the Covenant Enforcement Committee where such costs are incurred as a result of actions that relate to the business or affairs of the Covenant Enforcement Committee under this Declaration and such person acted in good faith and in a manner a reasonable person would have believed to be in the best interests of the Enforcing District. Payment of such costs shall specifically include reasonable attorney fees, where the action lies or could lie in tort, including any such action brought pursuant to federal law in any court of the State of Colorado, but shall exclude indemnification for actions that are willful, wanton or unlawful in nature. The member of the Covenant Enforcement Committee shall also be required to comply with all relevant provisions of the Governmental Immunity Act, including but not limited to, provision of timely notice to the Enforcing District of claims in accordance with the Governmental Immunity Act. The Enforcing District shall indemnify a member of the Covenant Enforcement Committee up to, but not in excess of, the applicable limitations of the Governmental Immunity Act. The Enforcing District specifically reserves any defenses which are available to members of the Covenant Enforcement Committee under the Governmental Immunity Act or by common law. The Enforcing District does not waive its defense of sovereign immunity as to any action.

Section 7.15 Remedies. If an Owner fails to remedy a Violation within the time period specified in the CEC Violation Notice or by the Covenant Enforcement Committee in a decision reached by the Covenant Enforcement Committee based on a hearing held pursuant to Section 7.8, the Enforcing District shall have all remedies available to it at law or in equity, including without limitation the following remedies: (a) the Enforcing District may Record a CEC Violation Notice against, and/or post the CEC Violation Notice upon, the Privately Owned Site on which the Violation exists; (b) the Enforcing District shall have the right to remove, correct or otherwise remedy any Violation of the CEC Restrictions in any manner the Enforcing District deems appropriate, which may include obtaining an injunction prohibiting a restricted use of the Privately Owned Site; (c) the Enforcing District may levy reasonable Fines for such Violation of the CEC Restrictions in accordance with the provisions of this Declaration or as may otherwise be permitted pursuant to applicable Law; and (d) the Enforcing District

shall have the right to collect from such Owner, and shall have, and may (but shall not be required to) Record, a lien against the Privately Owned Site subject to the Violation of the CEC Restrictions to secure (i) payment for reimbursement by the violating Owner for any remedial work performed by the Enforcing District required to remove, correct or otherwise remedy the Violation, which amount shall be due and payable by such Owner to the Enforcing District within 10 days after written demand therefor is given by the Enforcing District to such Owner, plus (ii) interest on such amount at a rate equal to the lesser of eighteen percent (18%) per annum, or the amount as may be permitted to be charged pursuant to the provisions of applicable Law, (iii) if such amount is not paid by such Owner to the Enforcing District within five (5) days after the date upon which such amount is due and payable by such Owner, an additional charge on such amount in an amount as shall be established by the Enforcing District in the Rules and Regulations, in no case, however, to exceed the amount as shall be authorized pursuant to the provisions of applicable Law, and (iv) all costs and expenses of collecting the unpaid amount, including, without limitation, reasonable attorneys' fees. The lien may be foreclosed in any manner either allowed for foreclosure of mortgages in the State of Colorado, or as may otherwise be authorized pursuant to the provisions of applicable Law.

Section 7.16 Rights of Enforcing District. The rights of the Enforcing District to remove, correct or otherwise remedy any Violation of the CEC Restrictions shall be in addition to all other rights and remedies which the Enforcing District may have at law, in equity or under the CEC Restrictions.

ARTICLE VIII
ARCHITECTURAL APPROVAL

Section 8.1 Approval of Improvements Required. The approval of the Architectural Review Committee shall be required for any "Improvement to Property," as hereinafter defined, on any Single Family Residential Site and, if and to the extent so provided in the Supplemental Declaration covering any Apartment Site, Condominium Project Site, Commercial Site, Religious Site or Miscellaneous Use Site, then for any Improvement to Property on any such Apartment Site, Condominium Project Site, Commercial Site, Religious Site or Miscellaneous Use Site, except for any Improvement to Property made by Declarant, and except as prior approval may be waived or certain Improvements to Property may be exempted in writing or under written guidelines or rules promulgated by the Architectural Review Committee because approval in such case is not reasonably required to carry out the purposes of this Declaration. Even if the Supplemental Declaration covering any Apartment Site, Condominium Project Site, Commercial Site, Religious Site or Miscellaneous Use Site does not provide that any Improvement to Property thereon shall be subject to the approval of the Architectural Review Committee, such Site may (but shall not be required to be), in the Supplemental Declaration covering, or another Recorded document affecting, such Site, be subject to Restrictions that require the approval of any Improvement to Property on such Site by another Person, committee or other entity.

Section 8.2 Improvement to Property Defined. "Improvement to Property," requiring approval of the Architectural Review Committee, shall mean and include, without limitation, any of the following made to or on a Single Family Residential Site (and if and to the extent so provided in the Supplemental Declaration covering any Apartment Site, Condominium Project Site, Commercial Site, Religious Site or Miscellaneous Use Site, on such Apartment Site, Condominium Project Site, Commercial Site, Religious Site or Miscellaneous Use Site): (a) the construction, installation, erection or expansion of any building, structure or other Improvements, including, without limitation, Dwelling Units, utility facilities and signs; (b) the demolition or destruction, by voluntary action, of any building, structure or other Improvements; (c) the grading, excavation, filling or similar disturbance to the surface

of the land including, without limitation, change of grade, change of ground level, change of drainage pattern or change of stream bed; (d) landscaping, planting, clearing or removing of trees, shrubs, grass or perennial plants; (e) any change or removing of trees, shrubs, grass or plants; (f) the construction, installation, erection, placement or expansion of any temporary or other nonpermanent structure, improvement or facility such as, without limitation, any tent, shed, trailer or outdoor storage area or facility; and (g) any change or alteration to any previously approved Improvement to Property, including any change of exterior appearance, finish material, color or texture. Notwithstanding the forgoing, however, the term "Improvement to Property" shall, without limitation, expressly exclude any Improvement that is completely contained within the interior of any building, structure or other Improvement that is not visible from the outside of such building, structure or other Improvement.

Section 8.3 Membership of Committee. The Architectural Review Committee shall initially consist of three (3) members, all of whom shall be appointed by the Enforcing District. Members of the Architectural Review Committee may, but need not necessarily, be Owners of Privately Owned Sites within the Annexed Area, members of the Board of Directors, members of the Covenant Enforcement Committee, representatives designated by Declarant, or architects, engineers or other design professionals. Members of the Architectural Review Committee shall be appointed by the Enforcing District at a meeting of the Board of Directors. Members of the Architectural Review Committee may be removed at any time by the Board, and shall serve for such term as may be designated by the Board or until they resign or are removed by the Board. Unless otherwise specified in this Declaration, the vote or written consent of a majority of the members of the Architectural Review Committee shall constitute the act of the Architectural Review Committee. ~~The Enforcing District may at any time, and from time to time, change the authorized number of members of the Architectural Review Committee, but the number of members shall always be an odd number and shall not be less than three (3). At any time that the Architectural Review Committee shall not then be in existence, all powers, duties and obligations of the Architectural Review Committee under this Declaration shall instead be exercised or performed by the Enforcing District, or, if so elected by the Board of Directors, by a Tribunal appointed by the Board of Directors as may be provided in the Rules and Regulations.~~

Section 8.4 Address of ARC. The address of the Architectural Review Committee shall be that of the address of the Enforcing District as provided in Sections 4.6.

Section 8.5 Required Approval by any Neighborhood Architectural Review Committee. In addition to approval of Improvements to Property by the Architectural Review Committee of the Enforcing District, approval of Improvements to Property shall also be required by the architectural committee of any Neighborhood Association if and to the extent set forth in the Neighborhood Declaration creating such Neighborhood Association.

Section 8.6 Submission of Plans. Prior to commencement of work to accomplish any proposed Improvement to Property, the Person proposing to make such Improvement to Property ("Applicant") shall submit to the Architectural Review Committee at its offices such descriptions, surveys, plot plans, drainage plans, elevation drawings, construction plans, specifications and samples of materials and colors as the Architectural Review Committee shall reasonably request, showing the nature, kind, shape, height, width, color, materials, and location of the proposed Improvement to Property. The Applicant shall be entitled to receive a receipt for the same from the Architectural Review Committee or its authorized agent. The Architectural Review Committee may require submission of additional plans, specifications or other information prior to approving or disapproving the proposed Improvement to Property. Without limiting the generality of the foregoing, if any plans or other materials submitted by an Applicant are incomplete, illegible or incomprehensible, the Architectural Review Committee may

require that modified plans or materials be submitted by the Applicant to correct the insufficiencies in the plans or materials so submitted, and in those instances where a proposed Improvement to Property is of sufficient complexity or scope (such as, by way of example but not of limitation, a proposed addition to an existing Dwelling Unit), the Architectural Review Committee may require that the Applicant submit plans and materials for such Improvement to Property that have been professionally prepared. Until receipt by the Architectural Review Committee of all required materials in connection with the proposed Improvement to Property, the Architectural Review Committee may postpone review of any materials submitted for approval by a particular Applicant. Additionally, all obligations of the Architectural Review Committee hereunder to review and approve all such plans, specifications and other materials with respect to a proposed Improvement to Property (but not the Applicant's obligation to obtain the Architectural Review Committee's approval thereof) shall be suspended during the period of time in which the Applicant shall be in default under the provisions of Articles VI, VII or VIII of this Declaration, and such default shall remain uncured by the Applicant, with respect to such Privately Owned Site.

Section 8.7 Criteria for Approval. The Architectural Review Committee shall approve any proposed Improvement to Property only if it deems in its reasonable discretion that the Improvement to Property in the location indicated will not be detrimental to the appearance of the surrounding areas of the Annexed Area and Reunion as a whole; that the appearance of the proposed Improvement to Property will be in harmony with the surrounding areas of the Annexed Area and Reunion; that the Improvement to Property will not detract from the beauty, wholesomeness and attractiveness of the Annexed Area or the enjoyment thereof by Owners; and that the upkeep and maintenance of the proposed Improvement to Property will not become a burden on the Enforcing District. The Architectural Review Committee may condition its approval of any proposed Improvement to Property upon the making of such changes therein as the Architectural Review Committee may deem appropriate.

Section 8.8 ARC Committee Guidelines or Rules. The Architectural Review Committee may issue guidelines or rules relating to the procedures, materials to be submitted, design requirements or standards and additional factors which will be taken into consideration in connection with the approval of any proposed Improvement to Property. Such guidelines or rules may specify circumstances under which the strict application of the ARC Restrictions will be waived or deemed waived in whole or in part because strict application of such ARC Restrictions would be unreasonable or unduly harsh under the circumstances or for other reasons determined by the Architectural Review Committee. Such guidelines or rules may waive the requirement for approval of certain Improvements to Property or exempt certain Improvements to Property from the requirement for approval, if such approval is not reasonably required to carry out the purposes of this Declaration.

Section 8.9 ARC Fees and Expenses. All expenses of the Architectural Review Committee shall be paid by the Enforcing District with revenues derived by the Enforcing District from the Annexed Area. The Architectural Review Committee may, in its guidelines or rules, provide for the payment of a fee to accompany each request for approval of any proposed Improvement to Property to help defray the expenses of the Architectural Review Committee's operation. The Architectural Review Committee may provide that the amount of such fee shall be uniform for similar types of any proposed Improvement to Property or that the fee shall be determined in any other reasonable manner, such as based on the estimated cost of the proposed Improvement to Property. Notwithstanding the foregoing, however, in those cases where a proposed Improvement to Property is complex, detailed or of a special technical nature, such that the Architectural Review Committee is not able to evaluate such Improvement to Property without additional professional assistance, the Architectural Review Committee may charge a

special fee to the Applicant to cover the additional costs incurred by the Architectural Review Committee in connection therewith, including, without limitation, the fees charged by any such professional engaged by the Architectural Review Committee. The Enforcing District or the Manager hired by the Enforcing District shall provide the Architectural Review Committee with staff for the holding of committee meetings and assistance with other administrative needs, at the Enforcing District's cost and expense, as it deems reasonably necessary from time to time.

Section 8.10 Decision of Committee. The decision of the Architectural Review Committee shall be made within thirty (30) days after the date the Architectural Review Committee receives all materials (including, without limitation, any additional or corrected plans or materials that may be required by the Architectural Review Committee as provided in Section 8.6) required by the Architectural Review Committee, unless such time period is extended by mutual agreement. The decision shall be in writing and, if the decision is to disapprove a proposed Improvement to Property, the reasons therefor shall be stated. The decision of the Architectural Review Committee shall be promptly transmitted to the Applicant at the address furnished by the Applicant to the Architectural Review Committee.

Section 8.11 Appeal to Covenant Enforcement Committee. If the Architectural Review Committee denies, imposes conditions on, or disapproves a proposed Improvement to Property, the Applicant may appeal to the Covenant Enforcement Committee by giving written notice of such appeal to the Covenant Enforcement Committee and the Architectural Review Committee within twenty (20) days after notice of such denial or refusal is given to the Applicant. The Covenant Enforcement Committee shall hear the appeal in accordance with the provisions of the Rules and Regulations for Notice and Hearing, and the Covenant Enforcement Committee shall decide whether or not the proposed Improvement to Property or the conditions imposed by the Architectural Review Committee shall be approved, disapproved or modified.

Section 8.12 Failure of Committee to Act on Plans. Any request for approval of a proposed Improvement to Property shall be deemed disapproved unless notice of approval or conditional approval or a request for additional information or materials is transmitted to the Applicant by the Architectural Review Committee within thirty (30) days after the date the Architectural Review Committee receives all required materials.

Section 8.13 Obtaining Governmental Approvals. Applicant shall obtain, prior to commencement of construction of any Improvements to Property, all permits, licenses, certificates, consents and any other approvals necessary or required pursuant to any law, ordinance, resolution, order, rule or regulation of any governmental authority having jurisdiction ("**Governmental Approvals**") in order for Applicant to construct, operate and maintain the Improvements to Property. The Governmental Approvals shall be deemed to include, but not be limited to, building approvals by the City of Commerce City, Colorado. Notwithstanding the foregoing, however, to the extent that the approval of the Architectural Review Committee is required to be obtained for a particular Improvement to Property, the Owner desiring to make such Improvement to Property shall not, unless otherwise allowed in writing by the Architectural Review Committee, either (a) apply for a building permit for such Improvement to Property from the City of Commerce City or other applicable governmental entity having jurisdiction until the approval by the Architectural Review Committee for such Improvement to the Property has been obtained; and (b) apply for a certificate of occupancy for such Improvement to Property from the City of Commerce City or other applicable governmental authority having jurisdiction until either the Architectural Review Committee has given, or pursuant to Section 8.18, is deemed to have given, its

acknowledgement that such Improvement to Property was done in compliance with the requirements of this Declaration.

Section 8.14 Prosecution of Work After Approval. After approval of any proposed Improvement to Property, the proposed Improvement to Property shall be accomplished as promptly and diligently as possible and in complete conformity with the description of the proposed Improvement to Property as approved by the Architectural Review Committee, any materials submitted to the Architectural Review Committee in connection with the proposed Improvement to Property as approved by the Architectural Review Committee, any conditions imposed by the Architectural Review Committee and in compliance with the Restrictions contained in this Declaration. Failure to complete any proposed Improvement to Property within one (1) year after the date work is commenced or to complete the Improvement to Property in accordance with the description and materials furnished to, and the conditions imposed by, the Architectural Review Committee, shall constitute a Violation of this Article. If, after the same have been approved by the Architectural Review Committee, an Applicant makes any changes or alterations to any plans, descriptions or materials approved by the Architectural Review Committee for an Improvement to Property, such changes or alterations shall be subject to the review and approval of the Architectural Review Committee in accordance with this Article VIII.

Section 8.15 Notice of Completion. Upon completion of the Improvement to Property, the Applicant shall give written Notice of Completion to the Architectural Review Committee. Until the date of receipt of a Notice of Completion, the Architectural Review Committee shall not be deemed to have notice of completion of such Improvement to Property.

Section 8.16 Inspection of Work. The Architectural Review Committee or its duly authorized representative shall have the right to inspect any Improvement to Property prior to or after completion; provided that the right of inspection shall terminate sixty (60) days after the Architectural Review Committee receives a Notice of Completion from the Applicant.

Section 8.17 Notice of Noncompliance. If, as a result of inspections or otherwise, the Architectural Review Committee finds that a Violation (including, without limitation, a Violation consisting of a failure to obtain the approval of the Architectural Review Committee of an Improvement to Property, where such approval is required under this Declaration, even if such Improvement to Property complies with the applicable guidelines or rules adopted by the Architectural Review Committee) exists with respect to a particular Improvement to Property, the Architectural Review Committee shall notify the Applicant in writing of the noncompliance; which notice shall be given, in any event, within sixty (60) days after the Architectural Review Committee receives any Notice of Completion from the Applicant for such Improvement to Property ("**Notice of Noncompliance**"). The notice shall specify the particulars of the noncompliance and shall require the Applicant to take such action as may be necessary to remedy the noncompliance. In addition, the Architectural Review Committee shall send a copy of such notice to any "Interim Lender," as hereinafter defined, for the Privately Owned Site upon which the Improvement to Property is being constructed, who shall have previously requested in writing to the Architectural Review Committee that the Architectural Review Committee send to it a copy of any such notice of noncompliance. "**Interim Lender**" shall mean, with respect to a particular Privately Owned Site, any Mortgagee providing the Owner of such Privately Owned Site with funds for the construction of an Improvement to Property on such Privately Owned Site.

Section 8.18 Failure of Committee to Act After Completion. If, for any reason other than the Applicant's act or neglect, the Architectural Review Committee fails to notify the Applicant of any noncompliance within sixty (60) days after receipt by the Architectural Review Committee of written

Notice of Completion from the Applicant, the Improvement to Property shall be deemed to be in compliance if the Improvement to Property was, in fact, completed as of the date of Notice of Completion.

Section 8.19 Appeal to Covenant Enforcement Committee of Finding of Noncompliance. If the Architectural Review Committee gives any Notice of Noncompliance, the Applicant may appeal to the Covenant Enforcement Committee by giving written notice of such appeal to the Covenant Enforcement Committee and the Architectural Review Committee within thirty (30) days after receipt by the Applicant of the Notice of Noncompliance. If, after a Notice of Noncompliance, the Applicant fails to commence diligently to remedy such noncompliance, the Architectural Review Committee shall request a finding of noncompliance by the Covenant Enforcement Committee by giving written notice of such request to the Covenant Enforcement Committee and the Applicant within thirty (30) days after delivery to the Applicant of a Notice of Noncompliance. In either event, the Covenant Enforcement Committee shall hear the matter in accordance with the provisions of the Rules and Regulations for Notice and Hearing, and the Covenant Enforcement Committee shall decide whether or not there has been such noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same.

Section 8.20 Correction of Noncompliance. In those cases where a hearing is requested pursuant to Section 8.19 regarding a Notice of Noncompliance, if the Covenant Enforcement Committee determines that a noncompliance exists, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days after the date of receipt by the Applicant of the ruling of the Covenant Enforcement Committee. In those cases where the Architectural Review Committee issues a Notice of Noncompliance but no hearing is requested pursuant to Section 8.19 regarding such Notice of Noncompliance, the Applicant shall remedy or remove the noncompliance within a period of not more than forty-five (45) days after the date of receipt by the Applicant of such Notice of Noncompliance. If the Applicant does not comply with the Covenant Enforcement Committee ruling, or with the Notice of Noncompliance where no such hearing was requested, as the case may be, within the respective period set forth above, the Enforcing District may, at its option, record a Notice of Noncompliance against, and/or post the Notice of Noncompliance upon, the real property on which the noncompliance exists, may, consistent with Section 7.15, enter upon the property and remove the noncompliant Improvement to Property, or may otherwise remedy the noncompliance by taking such actions as the Enforcing District determines are necessary or desirable, and the Applicant shall reimburse the Enforcing District, upon demand, for all expenses incurred in connection therewith. The right of the Enforcing District to remedy or remove any noncompliance shall be in addition to all other rights and remedies which the Enforcing District may have at law, in equity, or under this Declaration.

Section 8.21 Correction of Noncompliance by Interim Lender. If, within a period of not more than thirty (30) days after the date of receipt by the Interim Lender of the copy of the Notice of Noncompliance as provided in Section 8.17, the Interim Lender notifies the Enforcing District that it has begun, and will continue to diligently pursue, proceedings to obtain title to the Privately Owned Site upon which is being constructed the Improvement to Property pursuant to the remedies provided in the Mortgage held by such Interim Lender or pursuant to any foreclosure, or deed or assignment in lieu of foreclosure, of such Mortgage, then the Enforcing District, at its option, may extend the period for remedy or removal of the noncompliance for a period expiring forty-five (45) days after the date the Interim Lender obtains title to the Privately Owned Site. If the Interim Lender does not comply with the Enforcing District ruling within such extended period, or if at any time during such extended period the Interim Lender shall fail to diligently pursue proceedings to obtain title to the Privately Owned Site as

aforesaid, the Enforcing District may, at its option, exercise all of its rights and remedies provided in Section 8.20 hereof.

Section 8.22 No Implied Waiver or Estoppel. No action or failure to act by the Architectural Review Committee or by the Covenant Enforcement Committee, shall constitute a waiver or estoppel with respect to future action by the Architectural Review Committee or the Covenant Enforcement Committee, with respect to any Improvement to Property. Specifically, the approval by the Architectural Review Committee of any Improvement to Property shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar Improvement to Property or any similar proposals, plans, specifications or other materials submitted with respect to any other Improvement to Property.

Section 8.23 Committee Power to Grant Variances. The Architectural Review Committee may authorize variances from compliance with any of the provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, size, floor area or placement of structures or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variances must be evidenced in writing and shall become effective when signed by at least a majority of the members of the Architectural Review Committee or by its authorized representative. If any such variance is granted, no violation of the provisions of this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted; provided, however, that no variance shall operate to waive any of the provisions of this Declaration or any Supplemental Declaration for any purpose except as to the particular property and particular provision covered by the variance, nor shall the granting of any variance affect the jurisdiction of any architectural control committee of a Neighborhood Association or committee created by a Supplemental Declaration or a Neighborhood Declaration, nor shall the granting of a variance affect in any way the Owner's obligation to comply with all governmental Laws affecting the property concerned, including, but not limited to, the PUD Zone Document and zoning ordinances and setback lines and other requirements imposed by any governmental authority having jurisdiction.

Section 8.24 Authorized Representative. The powers and duties of the Architectural Review Committee may be delegated to one or more authorized representatives, who shall have the power to review and approve or disapprove proposed Improvements to Property and to grant variances and exemptions. Notwithstanding the foregoing, the authorized representative shall not have the authority to change the policies and guidelines of the Architectural Review Committee. The Architectural Review Committee may, from time to time, by resolution in writing adopted by a majority of the members, designate an authorized representative or representatives (who may, but need not, be members of the Architectural Review Committee). The action of such authorized representative or the written consent or the vote of a majority of the members of the Architectural Review Committee shall constitute the action of the Architectural Review Committee.

Section 8.25 Compensation of Members. The Board of Directors shall determine whether or not members of the Architectural Review Committee should receive reimbursement of out-of-pocket expenses or compensation.

Section 8.26 Meetings of Committee. The Architectural Review Committee shall meet from time to time as necessary to perform its duties hereunder.

Section 8.27 Records of Actions. The Architectural Review Committee shall report in writing to the Enforcing District and the Covenant Enforcement Committee all final action of the Architectural Review Committee, and the Enforcing District shall keep a permanent record of such reported action.

Section 8.28 No Liability for Committee Action. There shall be no liability imposed on the Architectural Review Committee, any member of the Architectural Review Committee, any authorized Architectural Review Committee representative, the Enforcing District, any Tribunal or member thereof, any member of the Board of Directors of the Enforcing District, the Covenant Enforcement Committee, any member or authorized representative of the Covenant Enforcement Committee, or Declarant for any loss, damage or injury arising out of or in any way connected with the performance of the duties of the Architectural Review Committee, if such party acted in good faith and without malice. In reviewing any matter, the Architectural Review Committee shall not be responsible for passing on safety, whether structural or otherwise, or conformance with building codes or other governmental laws or regulations nor shall its approval of an Improvement to Property be deemed approval of such matters. In accordance with Section 24-10-110 of the Governmental Immunity Act, the Enforcing District shall pay the costs of defense of and settlements and judgments against a person that is or was a member of the Architectural Review Committee where such costs are incurred as a result of actions that relate to the business or affairs of the Architectural Review Committee under this Declaration and such person acted in good faith and in a manner a reasonable person would have believed to be in the best interests of the Enforcing District. Payment of such costs shall specifically include reasonable attorney fees, where the action lies or could lie in tort, including any such action brought pursuant to federal law in any court of the State of Colorado, but shall exclude indemnification for actions that are willful, wanton or unlawful in nature. The member of the Architectural Review Committee shall also be required to comply with all relevant provisions of the Governmental Immunity Act, including but not limited to, provision of timely notice to the Enforcing District of claims in accordance with the Governmental Immunity Act. The Enforcing District shall indemnify a member of the Architectural Review Committee up to, but not in excess of, the applicable limitations of the Governmental Immunity Act. The Enforcing District specifically reserves any defenses which are available to members of the Architectural Review Committee under the Governmental Immunity Act or by common law. The Enforcing District does not waive its defense of sovereign immunity as to any action.

Section 8.29 Construction Period Exception. During the course of actual construction of any permitted structure or Improvement to Property, and provided that construction is proceeding with due diligence, the Architectural Review Committee shall temporarily suspend the provisions contained in this Declaration as to the property upon which the construction is taking place to the extent necessary to permit such construction; provided, however, that, during the course of any such construction, nothing is done which will result in a Violation of any of the Restrictions in this Declaration upon completion of construction, and nothing is done which will constitute a nuisance or unreasonable interference with the use and enjoyment of other property. In the case of (a) any Improvement to Property that is anticipated will require in excess of 180 days to complete (such as, by way of example but not of limitation, major construction projects, renovations, demolitions and extensive landscaping projects) during which any condition shall exist on the property on which the Improvement to Property is being made which will not comply with the provisions of this Declaration, or (b) any Improvement to Property where a condition shall exist on the property on which the Improvement to Property is being made which does not comply with the provisions of this Declaration and such condition shall exist for a period of at least 180 days, then, in either such case, the Architectural Review Committee, the Covenant Enforcement Committee or the Enforcing District shall have the right to require that such property be enclosed by fencing or other

appropriate screening approved by the Architectural Review Committee in a manner as shall reduce the impact of such condition on nearby Privately Owned Sites.

ARTICLE IX EASEMENTS

Section 9.1 Easement for Encroachments. If any portion of an Improvement encroaches upon any Local Common Area, or upon any adjoining Privately Owned Site, whether as a result of construction of any Improvements (including, without limitation, as a result of errors in architectural design or construction), or reconstruction, repair, shifting, settlement, or movement of such Improvements, a valid non-exclusive easement on the surface and for subsurface support below such surface and for the maintenance of the same, so long as such Improvement stands, shall and does exist for such encroachment; provided, however, that no such easement shall be deemed to exist for an encroachment of Improvements from a Privately Owned Site upon any other Privately Owned Site or Local Common Area when such encroachment is negligently or willfully created.

Section 9.2 Performance Easement. **A NON-EXCLUSIVE EASEMENT TO EXERCISE THEIR RESPECTIVE RIGHTS AND TO PERFORM THEIR RESPECTIVE OBLIGATIONS PURSUANT TO THIS DECLARATION IS HEREBY RESERVED AND GRANTED TO EACH OF DECLARANT, THE ENFORCING DISTRICT, THE COVENANT ENFORCEMENT COMMITTEE AND THE ARCHITECTURAL REVIEW COMMITTEE, AND THEIR RESPECTIVE AUTHORIZED REPRESENTATIVES, OFFICERS, AGENTS, EMPLOYEES AND ASSIGNS, UPON, ACROSS, OVER, IN AND UNDER THE ANNEXED AREA, TOGETHER WITH THE RIGHT TO MAKE SUCH USE OF THE ANNEXED AREA AS MAY BE NECESSARY OR APPROPRIATE IN CARRYING OUT SUCH RIGHTS OR OBLIGATIONS; PROVIDED, HOWEVER, THAT THE FOREGOING EASEMENT SHALL NOT APPLY THE INTERIOR OF ANY BUILDING LOCATED UPON A PRIVATELY OWNED SITE WITHIN THE ANNEXED AREA, AND ALL PERSONS PERFORMING SUCH ACTIONS SHALL USE REASONABLE EFFORTS TO MINIMIZE INTERFERENCE WITH THE USE AND ENJOYMENT OF SUCH PRIVATELY OWNED SITE BY THE OWNER THEREOF, AND SUCH OWNER' S RELATED USERS, WHEN PERFORMING SUCH ACTIONS.**

Section 9.3 Utilities. Declarant hereby creates and reserves to itself until the expiration of the Period of Development, and, thereafter, to the Enforcing District, a blanket non-exclusive easement upon, across, over, in and under the Annexed Area for the installation, operation, replacement, repair and maintenance of utilities and facilities therefor and other appurtenances thereto and improvements therefor, including, but not limited to, water, sanitary sewer, storm sewer, surface drainage, gas and other energy services, telephone, electricity and cable television, fiber optic and other telecommunication services; provided, however, that the foregoing easement shall not apply to any portion of a Privately Owned Site (a) upon which is located any building which has been constructed in a manner consistent with the provisions of this Declaration and of the applicable Supplemental Declaration for such Site, (b) if no such building has actually been constructed on such Privately Owned Site, upon which any building may be constructed pursuant to any plans for such building on such Privately Owned Site which shall have been approved by either Declarant or the Architectural Review Committee (to the extent the Architectural Review Committee is empowered to review and approve such plans pursuant to the provisions hereof), or (c) if no such building has actually been constructed on such Privately Owned Site, and if no such plans have theretofore been approved by either Declarant or the Architectural Review Committee, upon which a building may be constructed pursuant to the setback requirements and other applicable requirements of zoning Laws which shall apply to such Privately Owned Site. By virtue of

such blanket easement, it shall be expressly permissible to erect and maintain the necessary facilities, equipment and appurtenances on the Annexed Area and to affix, repair, maintain and replace water and sanitary and storm sewer pipes, surface drainage improvements, gas, electric, telephone, fiber optic and television wires, cables, circuits, conduits and meters. If any utility or quasi-utility company furnishing a service covered by the general easement created herein requests a specific easement by separate recordable document, Declarant reserves and is hereby given the right and authority to grant such easement upon, across, over or under any part or all of the Annexed Area (other than any portion thereof upon which is located a building as set forth above) without conflicting with the terms hereof; provided, however, that such right and authority shall be transferred and shall devolve upon the Enforcing District upon the expiration of the Period of Development. The easement provided for in this Section shall in no way affect, avoid, extinguish or modify any other recorded easement on the Annexed Area.

Section 9.4 Sound Easement.

(a) Purpose of Sound Easement. Declarant, the Reunion District, the Enforcing District and other Persons may (subject to the approval by the owner of the Park Property and to such terms and conditions as may be imposed by such owner) use the Park Property for social, cultural, entertainment, athletic and other events which may produce sound or noise, such as, without limitation, noise and live or recorded music generated over sound amplification systems, which may be audible over the Annexed Area, or portions thereof. Declarant desires to create and reserve an easement to permit the emission of sounds from the Park Property over and across the Annexed Area, and each portion thereof, all as is more particularly hereinafter provided.

(b) Creation of Sound Easement. Declarant hereby creates and reserves a perpetual nonexclusive easement (the "Sound Easement") for the purpose of the transmission of sounds and noise over and across the Annexed Area, and each portion thereof, which may be emitted from time to time from the Park Property by any means in connection with any event, function or other use of the Park Property (including, without limitation, noise and any live or recorded music emitted from sound systems used within or without any building located on any portion of the Park Property). The Sound Easement shall be for the benefit of the Park Property, and for the benefit of the owner or owners of all or any portion thereof from time to time, the Reunion District and the Enforcing District, and such owner's, the Reunion Metropolitan District's and the Enforcing District's tenants, licensees, guests, servants, invitees, successors and assigns, and shall be appurtenant to, for the benefit of, and run with title to the Park Property, and each portion thereof.

(c) Permitted Sounds Not a Public Nuisance. The sounds and noise which may be emitted from time to time from the Park Property pursuant to the Sound Easement shall conclusively be deemed not to be a public or private nuisance. To the extent that any law, ordinance, rule, regulation, judicial decision or statute of the City of Commerce City, Adams County, the State of Colorado, the United States or any other governmental entity having jurisdiction (including, but not limited to, the Colorado Noise Abatement Act of 1971, C.R.S. Section 25-12-101, et seq., and any amendment or successor statute thereto), shall impose any type of regulation or restriction on the level, quality or type of sound or noise which may be emitted from the Park Property which is more restrictive of the level, type or quality of sounds or noise which, pursuant to the Sound Easement, are permitted to be emitted over and across the Annexed Area from the Park Property, then the owner of the Annexed Area, and each portion thereof, and such owner's successors and assigns, shall conclusively be deemed to have waived the right to bring an action or proceeding to enforce, or otherwise to rely upon or enforce, the terms or restrictions contained in any such law, ordinance, rule, regulation, judicial decision or statute in

such a manner as shall preclude or restrict the sounds which may be emitted from the Park Property pursuant to the Sound Easement.

(d) Amendment and Termination. Notwithstanding any other provisions of this Declaration, the terms and provisions of this Section 9.4 may be amended at any time, in whole or in part, effective upon the execution and recordation in the Adams County Records of a written instrument setting forth such amendment executed by the then current owner or owners of the Park Property, and those portions of the Annexed Area which are affected by such amendment, and the execution or consent of no other party shall be required. Unless amended as herein provided, all other provisions and Restrictions contained in this Declaration shall be effective until December 31, 2064, and, thereafter, shall be automatically extended for successive periods of ten (10) years each unless terminated by a written and Recorded instrument containing the consents of the Record Owners of at least sixty-seven percent (67%) of the Privately Owned Sites then within the Annexed Area and, if the consent of Declarant to such termination is required pursuant to Section 10.5, containing the consent of Declarant to such termination. Additionally, if any Government Mortgage Agency then holds, insures or guarantees any First Mortgage encumbering a Privately Owned Site then within the Annexed Area, and if to the extent that such Government Mortgage Agency then requires that its approval of such termination be obtained, then any such termination shall also be subject to the approval of such Government Mortgage Agency, to the extent so required by it.

Section 10.2 Amendment of Declaration by Declarant. Declarant hereby reserves and is granted the right and power from time to time to make and, where required, to Record technical amendments to this Declaration at any time prior to the expiration of the Period of Development, for the

The Enforcing District shall keep on file in the offices of the Enforcing District such proxies, letters, minutes of meetings or other documentation as may be required to evidence compliance with applicable approval requirements, but the consent of Declarant (if so required) and the Enforcing District's certificate on the Recorded instrument shall be sufficient public notice of compliance.
